All university students enrolled in 6 or more credits are required to have health insurance coverage. This is a one-time charge in the Fall Semester for the year. Students entering for the Spring semester are charged a prorated amount on their Spring bill for health insurance. Students who already have Health Insurance coverage will need to complete a waiver form each academic year by deadline established by Health Services in order for the health insurance fee to be waived.

1. Tuition and fee rates are subject to change.
2. Per semester.
3. For Summer 2024 tuition rates, please refer to the per credit rates in the 2024-25 Law Tuition and Fees Schedule.
