CIBC International Student Pay Guide

CIBC International Student Pay is the University portal where international students and proxies can make wire transfer payments.

1. Log into CaneLink (canelink.miami.edu).
2. Under the *Financials* dropdown menu, select *CIBC International Student Pay*.

3. You will be directed to the CIBC portal to make a payment.
   a. First, you must select the country you are paying from.
   b. Your total amount due will be pre-populated.
   c. You can make a partial payment, but the payment amount cannot exceed your outstanding balance.
4. Confirm and ‘Select’ the payment currency and payment method. Then click ‘Next’.

Note CIBC International Student Pay offers Bank Wire, Direct Debit (EFT) and e-Wallets (WeChat and AliPay).

5. Enter the required fields in the **Student Details** page.
6. Enter the required fields for the **Payer Details** page. Select ‘**Use Student Info**’ box if the payer is the student.
7. Review the payment details, then either log in, sign up or ‘Continue as Guest’. To proceed, confirm your information by selecting the ‘I agree to Terms and Conditions’ check box.

8. Proceed to 8.1 if you selected ‘Bank Wire’, proceed to 8.2 if you if you selected ‘Direct Debit – EFT’, proceed to 8.3 if you selected ‘WeChat’ or proceed to 8.4 if you selected ‘AliPay’.
8.1. If payment is completed using Bank Wire: Once your transaction is successfully submitted, download the instructions sheet, and bring it to your banking institution to complete payment.

Note: Do not reuse instruction sheet for future payments – please submit a new transaction on portal for every new payment and send wire per new instruction sheet.

8.2. If payment is completed using Direct Debit – EFT: Complete your payment online by submitting your bank account details to provide one-time authorization for debiting your account for your payment amount.

***Make sure your payment is initiated by the date indicated on your instructions sheet to guarantee the exchange rate.
8.3. **If payment is completed using AliPay:** Submit your transaction on CIBC portal and you will be directed to the AliPay webpage where you will scan the QR code with your payment app to complete the payment.
8.4. **If payment is completed using WeChat:** Submit your transaction on CIBC portal and you will be directed to the WeChat webpage where you will scan the QR code with your payment app to complete the payment.
9. To access your payment(s), you can access the CIBC portal via CaneLink and select the *Track Your Payment* tab.
