

Payment Plans

****Any payments made outside of your scheduled installments will decrease the overall balance due, which will also decrease your remaining installments. Making a payment out of the payment plan schedule does not replace a monthly installment deduction.**

1. Select the 'Payment Plan' tab or choose the 'Enroll in Plan' box from the Account Summary page

The screenshot shows the University of Miami Payer Home interface. At the top, there is a navigation bar with 'Payer Home', 'Payer Search', 'Actions', and 'My Account'. Below this, the 'Student Name - Account Number' is displayed. To the right, the current balance is shown as '\$38,568.00' with a 'Make A Payment' button. A central navigation bar contains three tabs: 'Account Summary', 'Account Activity', and 'Payment Plans'. The 'Payment Plans' tab is highlighted with a red box, and a red arrow points to it from the right. Below the navigation bar, a blue banner contains a message: 'Please review your student account for any term balances. Please be aware that financial holds will be automatically released once your balance is paid in full. If you are paying by check or e-check, please allow a 5 business day waiting period for the payment to process before the hold is released.' Below the banner is an 'Account Summary' table:
